

HM the Queen's Platinum Jubilee

3 – 5 June 2022

Many of you will remember, most will have been told that our two villages have marked our Sovereign's two previous major jubilee anniversaries (1977 and 2012) with a celebratory event or festival in the Barringtons.

We are confident of a consensus of opinion that the Queen's Platinum Jubilee 2022 should be no different.

Our villages are fortunate with a range of options and sites, including two Pubs, the Great Barrington Village Hall and the smaller Little Barrington Reading Room. The success of such an event is dependent entirely on timely planning and coordination.

We would therefore be most grateful for ideas and support, most specifically in the early formation of a planning committee. Please send your replies to our Parish Clerk, Tan Marchant barringtonpc@hotmail.co.uk
